Description:

Two scarce engraved maps of Cuban harbors (Grand Bay of Nipe and Puerto de Baracoa) on one sheet, prepared as such for Thomas Jeffreys's much sought-after *A General Topography of North America*.

The engravings initially appeared in Jeffreys's 1762 *A Description of the Spanish Islands and Settlements on the Coast of the West Indies*, hence the plate and page numbers.

A General Topography of North America and the West Indies.

Jeffery's *A General Topography* is not only one of the most important atlases of the 18th century but also
